Recital Season Has Arrived!

REBECCA'S REFLECTIONS

Recital season is an exciting time for students, families, and staff! This year, our theme is "Dancing Around the World." We will be creating new choreography, selecting the perfect costumes, and building magnificent props! Our students will be encouraged to work hard on their routines - with a smile on their face, of course!

Recital is an opportunity to create lifelong memories. I've watched students exit the stage, beaming with pride, because they accomplished something they were scared to do. Learning to be brave - what a wonderful gift! We are looking forward to recital and we hope you are as well!

Now, please excuse me while I go cut my recital music...

~Ms. Rebecca
